

Circular Letter 0021/2021

**To: The Managerial Authorities of Recognised Primary, Secondary,
Community and Comprehensive Schools and
the Chief Executives of Education and Training Boards**

**Coronavirus (COVID-19):
Arrangements for Teachers and Special Needs Assistants
employed in recognised Primary and Post Primary schools**

The Minister for Education directs you to implement the special arrangements to cater for COVID-19 for teachers and special needs assistants (SNAs) employed in approved posts funded by monies provided by the Oireachtas.

These special arrangements are to be implemented by each employer with immediate effect and all teachers and SNAs in each sector must adhere to the arrangements.

The general principles to apply to the management of COVID-19 include the safety and welfare of employees and the minimisation of the impact on teaching and learning. Employers will need to consider how best to deploy employees to facilitate the delivery of educational services.

The Government's [Work Safely Protocol](#) is a revision of the Return to Work Safely Protocol to reflect the Government's Plan for Living with COVID-19. The revised Protocol incorporates the current advice on the Public Health measures and sets out the measures required in the workplace to prevent the spread of COVID-19, to facilitate the re-opening of workplaces following temporary closures and the ongoing safe operation of those workplaces. Employers must ensure that all work premises have implemented robust pre-return to workplace procedures and that all procedures comply with the Work Safely Protocol.

This Circular supersedes Circular 0049/2020 titled 'Coronavirus (COVID-19): Arrangements for Teachers and Special Needs Assistants employed in recognised primary and post primary schools'.

The Circular also supersedes Information Notes TC 0007/2021, TC 0008/2021, TC 0009/2021, TC 0010/2021 and TC 0011/2021. During the partial re-opening period for schools, temporary leave arrangements were made available to employees relating to the Parental Leave Scheme and the Unpaid Leave Scheme. Upon the full re-opening of schools, these temporary arrangements are no longer available. Therefore, the normal terms and conditions of the Parental Leave Scheme and the Unpaid Leave Scheme will

apply. An employee in the High Risk group (including an employee over 60 years of age) who is medically fit for work must attend the workplace on the full re-opening of schools.

Please ensure this Circular is circulated to all members of the Board of Management/Education and Training Boards and its contents are brought to the attention of all teachers and SNAs in your employment, including those on leave of absence.

All queries should initially be brought to the attention of the employer who may wish to consult with their representative organisation. Any further queries in relation to this Circular may be directed to the Department at the following e-mail address: teachersna@education.gov.ie.

This Circular can be accessed on the Department's website at www.education.ie.

- 1.1.2 The employer has obligations under the Safety, Health and Welfare at Work Act, 2005 to ensure the safety and welfare of staff at work.

1.2 Purpose of this Circular

- 1.2.1 The purpose of this Circular is to advise employers of the current COVID-19 arrangements for employees. A COVID-19 Employer's Guide is available at [Chapter 5](#) of this Circular, which includes the working arrangements and leave arrangements that will apply to employees under the specific circumstances, as detailed.

1.3 Employee Assistance Service

1.4 COVID-19 Response Plan

- 1.4.1 The COVID-19 Response Plan is designed to support employers and employees in putting measures in place that aim to prevent the spread of COVID-19 in the school environment. It details the policies and practices necessary for a school to implement the Government's 'Work Safely Protocol', so as to prevent the introduction and spread of COVID-19 in the school environment.
- 1.4.2 All employers are required to have an up to date COVID-19 Response Plan in place. The plan outlines the arrangements in place to ensure a safe workplace for all employees. There is an obligation on the employer to discuss the COVID-19 Response Plan with employees and ensure that all appropriate risk mitigation measures are clearly in place for their protection.
- 1.4.3 It is incumbent on each employee to fully comply with the employer's Covid-19 Response Plan. Co-operation between the employer, the employee and the Lead Worker Representative(s) is fundamental to ensuring that the measures are adhered to.
- 1.4.4 Please refer to the School COVID-19 Response Plan for [primary schools and special schools](#) and for [post primary schools](#).

1.5 COVID-19 Return to Work Form

- 1.5.1 As part of the School COVID-19 Response Plan, employers must make a COVID-19 Return to Work Form available to all employees for completion, to assist with their safe return to the workplace following an absence. A COVID-19 Return to Work Form template is available at Appendix 2 of the School COVID-19 Response Plan.

- 1.5.2 An employee is required, as part of the School COVID-19 Response Plan to complete the COVID-19 Return to Work Form in advance of his/her return date to the workplace.
- 1.5.3 The employee should only complete the COVID-19 Return to Work Form once i.e. before returning to the workplace. However, an employer may request an employee to confirm that the details provided in the Return to Work Form have not changed e.g. following a period of school closure, a leave of absence, travel or where the employee attends the workplace infrequently. The employee can provide confirmation to the employer, either verbally or in writing. The employer should keep a record of the employee's confirmation.

For further information please visit the Data Protection Commission website.
- 1.7.3 All documentation relating to the processing of applications and declarations must be retained by the employer with the relevant personnel records in a safe and secure manner and in line with the employer's data protection policy and data

protection regulations. These records may be selected for inspection by nominated Department officials.

1.8 Compliance

1.8.1 Failure to abide by the special arrangements by employees set out in this Circular may be dealt with under the current disciplinary procedures.

2. COVID-19 Special Leave with Pay

2.1 Special Leave with Pay

- 2.1.1 Special leave with pay will be granted by the employer where an employee has been advised to self-isolate under the following circumstances:
- a) displaying COVID-19 symptoms, as detailed in [Chapter 5](#) (Table 1) or
 - b) diagnosed with COVID-19, as detailed in [Chapter 5](#) (Table 2)
- 2.1.2 The special leave with pay will apply for the number of days advised by the HSE/GP.
- 2.1.3 Special leave with pay will not apply where an employee has been facilitated to work remotely i.e. working from home, under the following circumstances:
- a) restricting his/her movements (further details in [Chapter 3](#))
 - b) categorised as being in the very high risk group (further details in [Chapter 4](#))
- 2.1.4 As part of the application process for special leave with pay, the employee must provide HSE/medical certification to the employer for the duration of the absence, including the date of fitness to return to work (where this date is available). Where HSE/medical certification is unavailable at the time, the employer may accept a copy of the relevant HSE text message notification to the employee.
- 2.1.5 Where an employee has been granted special leave with pay the employer may appoint a substitute, paid by the Paymaster.
- 2.1.6 Special leave with pay granted by the employer will not be counted as part of the employee's Sick Leave record.
- 2.1.7 Similar to the general principles applying to the management of Sick Leave, the employee must contact the employer as soon as possible, in accordance with the employer's normal absence reporting arrangements. Where circumstances or diagnosis changes, the employee must also inform the employer immediately.
- 2.1.8 An employee is not entitled to days in lieu of bank holidays whilst in receipt of special leave with pay.
- 2.1.9 An employee's entitlement to special leave with pay shall cease on the expiry of a contract and that contract not having been renewed, unless that contract is followed directly by a 'back to back' contract in an approved employee post funded by monies provided by the Oireachtas.
- 2.1.10 It is considered good practice in maintaining a positive wellbeing culture in the school to have appropriate contact between the employer and the employee during periods of leave. The nature of this contact should focus on the welfare of the employee and the facilitation of a successful return to work.
- 2.1.11 The special leave with pay absence must be recorded by the employer on the OLCS/relevant ETB system. Under the OLCS leave category, this is recorded

under 'Personal Leave', sub-category titled 'COVID-19: Diagnosis' or 'COVID-19: Self-Isolation'.

2.2 Application Procedures for Special Leave with Pay

2.2.1 An employee who has been HSE/medically diagnosed with COVID-19 or has been HSE/medically advised to self-isolate must complete the Application Form at Appendix A to apply for special leave with pay.

2.2.2 The completed Application Form should be forwarded by the employee to the employer as soon as possible. The completed form must be accompanied by satisfactory HSE/medical certification. Where HSE/medical certification is unavailable at the time, the employer may accept a copy of the HSE text message notification to the employee.

2.3 Self-Isolation

2.3.1 Based on HSE advice, an employee with COVID-19 symptoms must self-isolate by staying indoors and completely avoiding contact with other people. This includes other people in the household, as much as possible. An employee will be HSE/medically advised to self-isolate under the specific circumstances, as detailed in Chapter 5 (Table 1).

2.3.2 The current criteria for self-isolation, and as updated by the HSE, must be followed. The current advice for self-isolation is at: <https://www2.hse.ie/conditions/coronavirus/self-isolation-and-limited-social-interaction.html>.

2.3.3 The employee must inform the employer immediately where HSE or medical advice is that he/she must self-isolate. Subject to the provision of the appropriate HSE/medical confirmation and completion of the Application Form at Appendix A, special leave with pay will be granted by the employer.

2.3.4 The employee must seek to make arrangements to be medically assessed for a COVID-19 test as soon as possible and must immediately inform the employer of the COVID-19 test result or if a test is not required.

2.3.5 Where the COVID-19 test result is positive, the employee remains on special leave with pay which must be recorded by the employer as 'COVID-19: Diagnosis' on the OLCS/relevant ETB system.

2.3.6 Where the employee's COVID-19 test is negative, please refer to Chapter 5 (Table 3).

2.3.7 For any non-COVID-19 illness, the terms and conditions of the Sick Leave Scheme will apply.

2.4 COVID-19 Diagnosis

2.4.1 The employee must inform the employer immediately where he/she has tested positive for COVID-19.

2.4.2 Special leave with pay will be granted by the employer, subject to the employee providing:

- a) satisfactory medical evidence of the COVID-19 positive test result, including test date
- b) satisfactory HSE/medical certification to support the COVID-19 absence
- c) a completed Application Form (see [Appendix A](#))

2.4.3 Please refer to [Chapter 5](#) (Table 2) which details the current HSE advice on the self-isolation period and the special leave with pay arrangements for an employee who has been diagnosed with COVID-19.

2.4.4 When special leave with pay for COVID-19 diagnosis was introduced in March 2020, it was understood, based on public health advice at the time, the period of self-isolation/illness would be for approximately 14 days. As the COVID-19 pandemic has evolved, it is now understood that in some cases the recovery time for individuals who contract COVID-19 can last longer. In this regard, from 1st January, 2021, where an employee has been diagnosed with COVID-19 and remains absent, special leave with pay may be granted by the employer for up to a maximum of 28 days, subject to the employee providing satisfactory and ongoing medical certification to the employer.

2.4.5 Similar to the terms and conditions of the Sick Leave Scheme, an employer must refer an employee to the OHS, where he/she is absent or expected to be absent on special leave with pay for a period of 28 days duration.

2.4.6 Where an employee is still unwell after 28 days due to a non-COVID-19 related illness, he/she will be recorded by the employer as absent on ordinary Sick Leave and the terms and conditions of the Sick Leave Scheme will apply.

2.4.7 When the employee returns to work, he/she must be reminded by the employer of the procedures in the school regarding social distancing, use of personal protective equipment and hand washing techniques.

2.5 Extended Special Leave with Pay beyond 28 days

2.5.1 From 1st January, 2021 special leave with pay may be extended by the employer beyond 28 days, subject to the provision of satisfactory and regular medical certification and provided the criteria, as described below are met.

(a) Workplace Attendance - the employee was in the workplace¹ (outside the home) during any of the 14 calendar days, prior to commencing the self-isolation period for COVID-19 diagnosis. Therefore, an employee who was not in the workplace during any of the 14 calendar days, prior to commencing the self-isolation period for COVID-19 diagnosis, does not meet the criteria for extended special leave with pay beyond 28 days. Any workplace attendance must have been known to and agreed by the employer in advance. In this regard, employers are advised to keep an updated record of all teachers/SNAs in attendance in the workplace.

(b) COVID-19 Test Result – the employee must provide the employer with satisfactory medical evidence of the COVID-19 test date and the positive test result. A copy of the relevant HSE text message notification to the employee is acceptable. It is recognised that at the start of the pandemic, universal COVID-

¹ The workplace includes any location, outside the home, an employer requires a teacher/SNA to attend as part of the role.

19 testing was unavailable. Thus, on a case-by-case basis, medical evidence that the clinical presentation indicated a high probability of COVID-19 may suffice.

(c) OHS Health Assessment Report – the OHS must provide the employer with a report to state:

- (i) the employee is medically unfit to resume work.
- (ii) the employee's absence relates primarily to ongoing COVID-19 illness.
- (iii) the employee is accessing appropriate medical care.

2.5.2 For example, on 14th February, 2021 an employee commenced special leave with pay following a COVID-19 diagnosis. Where satisfactory medical certification is provided, the employee will be recorded as absent on special leave with pay, up to a maximum of 28 days, unless the criteria at paragraph 2.5.1 are met in which case the special leave with pay may be further extended.

2.5.3 Where an employee commenced special leave with pay following a COVID-19 diagnosis in 2020 and remains absent on 1st January, 2021, the new arrangements for extended special leave with pay, as detailed in this paragraph will apply from the initial date of absence, where the criteria at paragraph 2.5.1 above are met. The employee must be referred to the OHS, if not already done so.

2.5.4. Where the employee is absent on special leave with pay for 28 days, the employer must make a non-discretionary referral to the OHS.

2.5.5 The employer must, as part of the referral process:

- a) inform the employee of the decision to refer him/her to the OHS.
- b) complete a secure on-line referral form through the dedicated online OHS portal. The referral should be titled "COVID-19 Diagnosis Special Leave with Pay Extension".
- c) send to the OHS (quoting the referral number provided by the OHS) a copy of the medical evidence of the positive COVID-19 test, including the test date.
- d) provide the employee with a copy of the referral.

2.5.6 The OHS will provide the employer with a referral number immediately after submitting the on-line referral.

2.5.7 The OHS will arrange an appointment for the employee with an Occupational Health Physician.

2.5.8 Following the medical assessment, the OHS will provide a Health Assessment Report to the employer to indicate the following:

- a) Whether the employee is fit or unfit for work.
- b) If unfit for work whether the absence relates primarily to ongoing COVID-19 illness.
- c) If unfit for work whether the employee is accessing appropriate medical care.
- d) If unfit for work the likely duration of absence, or, if it is not possible to establish a return to work date, the date for review.
- e) Any other relevant information in keeping with medical confidentiality.

2.5.9 Where an employee was recorded on the OLCS/ETB system as absent on leave due to COVID-19 diagnosis in 2020 and absent on 1st January, 2021, an employer must also refer him/her to the OHS.

2.5.10 For non-ETB schools, the following process must be followed for the recording of special leave with pay:

2.5.10.1. Where an employee is absent in excess of 28 days and pending the employer's receipt of the OHS Health Assessment Report, the Employer Declaration Form at [Appendix B](#) must be completed and sent to the Department, where the leave period will be recorded on the On Line Claims System (OLCS) under leave category 'COVID-19: Diagnosis'.

2.5.10.2 The employer must complete the attached Employer Approval Form at [Appendix C](#), where the OHS Health Assessment Report states the following:

- (a) the employee is medically unfit to resume work.
- (b) the employee's absence relates primarily to ongoing COVID-19 illness.
- (c) the employee is accessing appropriate medical care.

2.5.10.3 The completed Employer Approval Form must be e-mailed to the Department (teachersna@education.gov.ie) where the leave will be recorded on the On Line Claims System (OLCS) under leave category 'COVID-19: Diagnosis'.

2.5.11 Where the criteria at paragraph 2.5.1 are not met, the absence in excess of 28 days must be recorded by the employer as Sick Leave on the OLCS/relevant ETB System and the terms and conditions of the Sick Leave Scheme will apply. In this regard, for non-ETB schools, in order for the leave category 'COVID-19: Diagnosis' period in excess of 28 days to be cancelled on the OLCS, the employer must notify the Department using the 'Cancel Staff Member on Leave' form available on the landing page of the OLCS.

2.5.12 An employee may appeal the OHS decision in accordance with the procedures detailed below. The medical review appeal is only to determine if the absence relates primarily to COVID-19 illness. Only an employee who has already been assessed by the OHS as medically unfit for work due to a non-COVID-19 related illness has the option to appeal.

- a) The employee informs the employer of his/her intention to appeal the OHS decision.
- b) The employee sends a request for the appeal to the OHS (by post/e-mail) within 14 days from the date of the OHS decision.
- c) The OHS provides a list of appeal doctors (specialists in occupational medicine) to the employee.
- d) The employee subsequently informs the OHS of his/her choice of appeal doctor.
- e) It is the responsibility of the employee to arrange the appointment with the appeal doctor.

- f) The OHS forwards the medical reports that were submitted by the employee to the OHS at the time of the initial assessment to the chosen appeal doctor.
- g) Only medical information that was available at the time of the initial OHS assessment can be submitted to the appeal doctor by the OHS and the employee is not permitted to submit any additional information to the appeal doctor.
- h) The appeal doctor sends a report to the OHS with an opinion regarding the COVID-19 relatedness of the absence.
- i) The OHS subsequently notifies the employer with regard to the outcome of the appeal.
- j) The cost of the appeal is €150 payable by the employee to the appeal doctor. If the appeal is successful, the cost of the assessment will be refunded by the OHS.
- k) The employer informs the employee of the appeal outcome.

2.5.13 The new arrangements for extended COVID-19 special leave with pay are temporary and will be monitored and reviewed by DPER.

2.6 Ordinary Sick Leave

2.6.1 Any non-COVID-19 illness must be recorded by the employer as Sick Leave on the OLCS/relevant ETB system and the terms and conditions of the Sick Leave Scheme will apply. If the employee is subsequently diagnosed with COVID-19, special leave with pay can be retrospectively applied in lieu of the specific period of Sick Leave.

3. Restricted Movement

3.1 Restricted Movement

- 3.1.1 An employee with no COVID-19 symptoms will be medically/HSE advised to restrict his/her movements for the period, as specified by the HSE/GP, where he/she is a close contact of a confirmed COVID-19 case or lives with someone who has COVID-19 symptoms. This is to avoid contact with other people and social situations as much as possible.
- 3.1.2 The current criteria for restricted movement and as updated by the HSE must be followed. The current advice on restricted movements is at: <https://www2.hse.ie/conditions/coronavirus/managing-coronavirus-at-home/if-you-live-with-someone-who-has-coronavirus.html#restrict>.
- 3.1.3 Please refer to [Chapter 5](#) (Table 3) which details the current HSE advice on restricted movement and the working arrangements for an employee who has been advised to restrict his/her movements.
- 3.1.4 An employee who has been advised to restrict his/her movements must complete the Declaration Form at [Appendix D](#) and return it immediately to the employer, accompanied by appropriate HSE/medical confirmation, including the date of fitness to return to work (where this date is available). Where the HSE/medical confirmation to be provided to the employer relates to a third party e.g. a housemate, the employee may redact the personal details.
- 3.1.5 Where medical diagnosis changes, the employee must inform the employer immediately.
- 3.1.6 An employee who has been advised to restrict his/her movements and is medically fit for work, remains available for work. For the period as specified by the HSE/GP, the employee should be assigned work, and the employer must therefore facilitate alternative working arrangements to the maximum extent possible e.g. working from home. All employees must cooperate with all such flexibilities while they are restricting their movements. Further details on alternative working arrangements are available in Chapter 4 [paragraph 4.4](#).
- 3.1.7 Where an employee has been medically advised to restrict his/her movements, the employer may appoint a substitute, paid by the Paymaster.
- 3.1.8 An employee on restricted movement must be recorded by the employer under the OLCS leave category 'Personal Leave', sub-category titled 'COVID-19: Restricted Movement' or on the relevant ETB system.

3.2 Leave arrangements on return from Non-Essential Travel Overseas

- 3.2.1 There is a Government Advisory in operation against all non-essential international travel.
- 3.2.2 A legal requirement to quarantine has been introduced for all travellers with very limited exceptions, as detailed at gov.ie.

- 3.2.3 Employees should also be aware of the testing and quarantine requirements in place at the time of travel, both for their intended destination and on return to Ireland. Full details of current arrangements can be found at the [gov.ie link](#).
- 3.2.4 Responsibility to provide for the period of restricted movement (quarantine) arising from travel overseas is a matter for each individual employee, unless they fall into the very limited exemption categories as outlined on gov.ie.
- 3.2.5 In order to protect public health, employees are required to advise their employer of any intention to travel overseas. Where there is an intention to undertake travel overseas to any country which requires a restricted movement period on return to Ireland, an employee must make provision by way of an Unpaid Leave application for that period of restricted movement, in line with the terms and conditions, as detailed in the Department's publications. This period of Unpaid Leave is part of the normal entitlement of 10 school days in the school year. Where an employee is absent on approved Unpaid Leave, the employer may appoint a substitute, paid by the Paymaster. This arrangement is applicable to all employees regardless of whether they can work from home.
- 3.2.6 In all instances, an employee should continue to notify his/her employer of any intention to travel overseas. The security rating of countries will be regularly reviewed and may change, and employees should be aware that whatever restricted movement (quarantine) requirements are in place on their date of return to Ireland will apply to them. An employee should log on to www.dfa.ie immediately prior to their return to Ireland to ensure they are fully apprised of any changes to the security rating of countries, and any necessary requirement to restrict their movements.

3.3 Arrangements on return from Essential Travel Overseas

- 3.3.1 It is a matter for the employer to determine on a case-by-case basis, having considered the appropriate supporting documentary evidence provided by the employee, whether travel overseas is 'essential travel' .e.g. for urgent medical treatment.
- 3.3.2 Where it is determined by the employer that the travel overseas is for an essential reason, [paragraph 3.1](#) will apply where quarantine, as described on [gov.ie link](#) is required, on return to Ireland.

4. Higher Risk Groups

4.1 Very High Risk Group

- 4.1.1 The HSE advice on the 'very high risk' groups is at: <https://www2.hse.ie/conditions/coronavirus/people-at-higher-risk.html>. The 'very high risk' group is currently advised to cocoon.
- 4.1.2 Having considered the HSE advice and information available on the OHS website, an employee who believes he/she is at very high risk of serious illness from contracting COVID-19 must:
- a) complete the online OHS COVID-19 Risk Assessment Questionnaire immediately and submit it to the OHS. This Questionnaire which is available on the OHS website must be accompanied by a completed 'Report from Treating Consultant'. Where such a Report cannot be obtained from the treating consultant within a short timeframe, a copy of the latest treating Consultant's Report can be obtained from the employee's GP. The Report from Treating Consultant template is available on the OHS website.
 - b) inform the employer immediately, or on diagnosis, that he/she believes they are in the 'very high risk' group.
- 4.1.3 Having considered the medical information provided with the 'OHS Risk Assessment', the OHS will provide the employee with a 'COVID-19 Health Risk Categorisation Report' which advises whether he/she is at a very high risk of serious illness from contracting COVID-19.
- 4.1.4 For employees where the 'OHS COVID-19 Health Risk Categorisation Report' advises that they are at a very high risk of serious illness from contracting COVID-19 and consequently must not attend the workplace, the Declaration Form at [Appendix E](#) must be completed by the employee and returned immediately to the employer accompanied by the OHS COVID-19 Health Risk Categorisation Report.
- 4.1.5 Where medical diagnosis changes, the employee must inform the employer immediately.
- 4.1.6 In accordance with DPER guidance, where an employee has been categorised as Very High Risk by the OHS and is medically fit for work, the employer should prioritise alternative working arrangements to the maximum extent possible e.g. working from home. Further details on alternative working arrangements are available in Chapter 4 [paragraph 4.4](#).
- 4.1.7 Where an employee has been categorised by the OHS as Very High Risk and is not attending the workplace, the employer may appoint a substitute, paid by the Paymaster. A contract awarded to a substitute to cover for a very high-risk employee, should make clear reference to the fact that the appointment may have to be terminated in the event of the employee returning to the workplace earlier than expected.
- 4.1.8 Where an employee who is at very high risk of serious illness from contracting COVID-19 and has been assessed by the OHS as medically unfit for work due to a

non-COVID-19 illness, the terms and conditions of the Sick Leave Scheme will apply.

- 4.1.9 An employee categorised by the OHS as being in the Very High Risk group and who is medically fit for work, must be recorded by the employer under the OLCS leave sub-category 'Personal Leave', sub-category titled 'COVID-19: Very High Risk Group' or on the relevant ETB system.
- 4.1.10 Please refer to [Chapter 5](#) (Table 4) which details the working arrangements for the 'very high risk' group' of employees.
- 4.1.11 Employees currently categorised as Very High Risk by the OHS are advised that a new COVID-19 Risk Assessment Questionnaire will require to be submitted to the OHS in advance of the 2021/22 school year. Further details will be issued by the Department by 30th June, 2021.

4.2 High Risk Group

- 4.2.1 The HSE advice on the 'high risk' group is at: <https://www2.hse.ie/conditions/coronavirus/people-at-higher-risk.html> In accordance with HSE advice, an employee in the 'high risk' group (including an employee over 60 years of age) who is not ill must attend the workplace. The employee in the 'high risk' group should take extra care to practice social distancing and hand hygiene. Face coverings and personal protective equipment should also be used where maintaining social distancing is difficult.
- 4.2.2 In line with Chapter 1 [paragraph 1.4](#) all employers are required to have an up to date COVID-19 Response Plan in place. Those employees deemed 'high risk' and 'normal risk' can attend the workplace safely where the school is implementing the COVID-19 Response Plan and the public health advice for schools.
- 4.2.3 An employee who has been categorised by the OHS (as described in [Chapter 4 paragraph 4.1](#)) and considers that the OHS 'COVID-19 Health Risk Categorisation Report' places him/her in an incorrect risk category, may request a review. The employee can e-mail the OHS directly (cork@medmark.ie) who will re-evaluate the medical evidence provided. The employee may provide additional medical evidence as part of the review process. In a situation where the review outcome is that the COVID-19 health risk categorisation remains the same, a further review will only be undertaken, where additional medical evidence indicates there has been a change in the employee's medical status or where there is a change in the HSE guidelines for the 'high risk' group.
- 4.2.4 Please refer to [Chapter 5](#) (Table 5) which details the working arrangements for the 'high risk' group of employees.
- 4.2.5 Wherean employee is medically fit for work, he/she may not apply for Critical Illness Provisions (as detailed in the relevant Sick Leave Scheme) due to COVID-19 medical vulnerability.

4.3 Pregnant Employees

- 4.3.1 The HSE has published guidance for the education sector in respect of pregnant employees and the Department is currently seeking clarifications from the HSE on this guidance.
- 4.3.2 When the Department has considered the HSE clarifications, any changes to the current working arrangements for pregnant employees will be communicated to employers.
- 4.3.3. In the meantime, a pregnant employee should temporarily continue to work remotely i.e. working from home.

4.4 Alternative Working Arrangements

- 4.4.1 An employee who is medically fit for work and has been advised to restrict his/her movements, or an employee at very high risk of serious illness from contracting COVID-19 is available to work remotely.

- Participating in staff meetings and all other normal meetings using online technology or by telephone, if online systems are not available.

If remote working in an SNA's current role is not feasible, then the assignment of work may be outside of their usual core duties.

4.5 Employee with caring or childcare responsibilities or living with high risk or very high risk individual

- 4.5.1 Special leave with pay is not available for an employee who has COVID-19 related caring or childcare responsibilities, or for an employee who is living with a high risk or very high risk individual.
- 4.5.2 However, an employee who wishes to avail of existing relevant leave entitlements is entitled to have such requests considered by his/her employer (e.g. Parental/Carer's/Force Majeure Leave) in line with the terms and conditions of Department publications. When considering such an application, the employer must take account of the school's policy on employee absences where the welfare and educational needs of the pupils must take precedence over all other considerations.
- 4.5.3 Employers may at their discretion, under Section 8(4) of the Parental Leave Act, 1998 waive or reduce the requirement for the 6 week notification for Parental Leave applications. The normal terms and conditions of the Parental Leave Scheme will apply regarding application for Parental Leave.
